KEATING'S LOZENGES." "KEATING'S LOZENGES."

A SIMPLE FACT ABOUT " KEATING'S COUGH LOZENGES. Ask throughout the world, in any country that can be named, you will find them largely sold. There is absolutely no remedy that is so speedy in giving relief, so certain to cure, and yet the most delicate can take them.

'A TERRIBLE COUGH." A TERRIBLE COUGH."

"94, Commercial Road, Peckham, July 12.

"Dear Sir,—I am a poor hand at expressing my feeling, but I should like to thank you. Your lezenges have done wonders in relieving my terrible cough. Since I had the operation of "Trachetomy" (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Burtholomew's Hospital no one could possibly have had a more violent cough; it was so bad at times that it quite exhausted me. The musus, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am sir, yours truly, J. Hild.

UTTERLY UNRIVALLED UTTERLY UNRIVALLED The above speaks for itself. From strict inquiry it appears that the benefit from using Kenting's Cough Lozent sis undestated. The operation was a specially severe one and was performed by the speculist, Dr. H. T. Butlin, of St. Bartholomew's Hospital. Since the operation the only means of relief is the use of these Lozonges. So successful are they that one affords immediate benefit, although from the nature of the case the throat irritation is intense.

WEIGHT IN GOLD. WEIGHT IN GOLD. Under date Sept. 8th. 1891, Mr. Hill again writes:
"I should long since have been dead, but for your Lozenges—they are worth their weight in gold. I will gladly see and tell anyone what a splendid cough remedy they are."

Keating's Cough Lozenges, the unrivalled remedy for COUGHS, HOARSENESS, and THROATTROUBLES are sold in Bottles by all Chemists. THE CHARTERED BANK OF INDIA AUSTRALIA, AND CHINA.

BERLIN FOUNDLING HOUSE

CHRISTMAS ZVE. The usual Christmas Eve service at the Berlin Foundling House began at 5 p.m. in the presence of a somewhat limited congregation. The taper-lit fir, with a transparency of the Nativity at its foot, occupied the space on the minister's left, and on his right were drawn up the elder section of the inmates. The service was eminently simple and charmingly rendered. The contrast between the deep, strong rendering of the general hymns and the awestly plaintive tones of the girls' choir singing without accompaniment produced a pleasing effect which was heightened as the little complete and thoughtful arrangements had been made for providing each inmate with a suitable memento of the sesson, and the cent building extension enabled the visit ora to appreciate to the full the labour and

care involved. The falling off in the way of visitors was most marked here and could scarcely be accounted for by the idea that they were now able to enjoy elbow room. The many other attractions of the evening (Organ VICEROY Chang Chih-tung is advertising Recital, &c.) may have influenced the at tendance a little, but everything seemed to accentuate the absence of Lady Robinson who so kindly and earnestly made this and

EXPECTATIONS OF FLOATING THE COMET. The Insurance Companies concerned in the Nicaraguan barque Comet, now ashore in Shihtau Bay, have chartered the steam tug Pioneer for the purpose of rendering every possible assistance to the unfortunate vessel. The Pioneer, commanded. by Captain Price, left here last Wednesday night for the Comet, and reached the N.E Promontory before the blow came on. The tuy has doubtless arrived at Shih-tau by this time and we hope to see her safely anchored in the harbour in a day or two. We learn from different sources that about 2.800 bags of rice have been landed from the Comet in good condition, but the stamp. Arrived here, he called together bulk is more or less damaged. The Comet has 9 feet of water in her hold.
